

Child-friendly Safeguarding Information

This poster explains how we can help to keep you safe at school and at home and where you can get help if you need it.

In order to help you we may sometimes have to speak to other people for advice, such as social workers or police but we will always let you know who we have talked to and what will happen.

These are the adults who are responsible for safeguarding at Croxby.

- Mrs Neighbour
- Mr Waterson
- Mr Hill

If you don't feel that you can tell any of these people about something that you are worried about, then you could contact the number below.
