Dear Parents/Carers

We hope this letter finds you well. It has been a busy couple of weeks at Croxby. A visit by the NSPCC closely followed by this week's Danceathon, children finishing their Bush Craft course at Welton Waters, a number of classes enjoying 'First Steps Wild' lessons, Y6 musicians attending an orchestral performance and with a number of sporting teams in action, it certainly has been nonstop.

However the reason for this letter is to highlight an issue we are constantly having to deal with.

As we all know in today's 'grown up' world it is very easy to make a comment on-line about a topic/person who we have never met before. Every week at the academy we are working with children who have received communication from other children, who are often not at our academy and whom they have never met. These messages cause the children great upset. We complete a lot of E-safety work at the academy, please help us and check your child's messages on all platforms. Below is a list of the common apps and the age restrictions for them.

Yours sincerely

Mr D M Waterson
