CROXBY PRIMARY ACADEMY UNIFORM POLICY

Effective Date: November 2020

Date of minuted / review approval by the Board of Governors: 17 April 2018

Review Committee: Governing Body

Review Date: November 2022

The Governing Body of Croxby Primary have a clear Uniform Policy. The clearly defined policy requires all pupils to wear the approved academy uniform when at the academy and to any academy function where it is considered appropriate.

The wearing of uniform enables the children to feel a sense of pride and belonging to their academy community. The wearing of uniform also gives clear expectations to ensure health and safety and a good working environment are maintained. In addition the inclusive ethos of the academy places a high priority on equality.

The Uniform Policy is reviewed regularly. We acknowledge that academy uniform is a significant investment for parents and we endeavour to ensure that as, primary academy age children rapidly outgrow their clothes, that our uniform is simple and available largely from good retailers. The academy will make every effort to apply the uniform policy consistently and parents should expect to be challenged by academy leaders where this is not the case.
