Consultation to increase the admission number to Croxby Primary Nursery

Introduction

Croxby Primary, part of the Consortium Academy Trust, opened a 26 place nursery provision within their setting in September 2022. However, as a result of popular demand and increased admission numbers to the area there is a need to increase this to become a 52 place provision. This would allow the setting to admit 26 children per session. This consultation document sets out the proposal to implement it.

The purpose of this consultation document

The purpose of this document is to provide information relating to the proposal to increase numbers in this nursery and to seek views of parents and the wider community to enable them to make an informed response.

Objectives of the Proposal

Maintained Nursery settings are based on school sites. They offer teacher-supported learning through play, based around the Early Years Foundation Stage curriculum for 3- and 4-year-olds prior to their entry into school. Croxby Primary and the Consortium Academy Trust feel that this proposal enables us to meet the demands of the local community and to offer high-quality, free education to 3- and 4-year-olds on-site with the added benefit of enabling a seamless transition into full time education at Croxby Primary. The investment will help extend and improve the early years facilities, making Croxby Primary increasingly more attractive to local families.

We welcome your support

This is an opportunity for parents, carers, staff, the local community, and other people who have an interest in the school to respond to the outlined options and ask questions on the proposal to establish the nursery. The consultation period starts on Monday 18th September 2023 and will end Monday 16th October 2023. You can state whether you support the proposal or not by completing the consultation questionnaire online by clicking on the link below.

If you have any other questions regarding this proposal, please contact the Headteacher Kerry Mason on 01482 846171, or email; office@croxbyprimary.co.uk

All views and responses will be considered after the consultation ends. Croxby Primary and the Consortium Academy Trust will then decide on next steps. This consultation document is being sent electronically to all parents/carers, governors, teachers, and staff of Croxby Primary. Electronic copies are also being sent to the Local Authority, all private early year's provision in the local community and will be available to view on our website.

What happens next?

The final decision as to whether this proposal is approved for implementation will be made by the Regional Schools Commissioner on behalf of the Department for Education. The process for making significant changes to academies can be viewed in more detail here: [Academies: making significant changes or closure by agreement - GOV.UK \(www.gov.uk\)](http://www.gov.uk/government/uploads/system/uploads/attachment_data/file/282222/20150623-academies-making-significant-changes-or-closure-by-agreement.pdf)
