ENGLISH

Academic

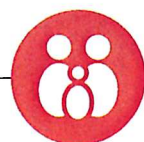

Enjoy reading a Julia Donaldson book. Be prepared to tell your teacher all about the story.

Family

Share a story with an adult in your family. Who was your favourite character and why?

Tell your teacher.

Watching / Listening

Watch a television programme that you enjoy. Can you name all the characters?

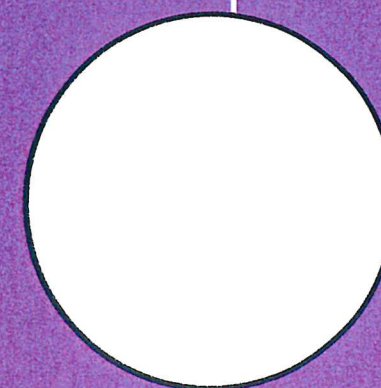

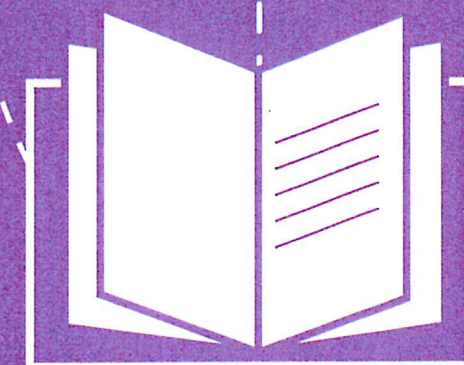

Tell your teacher.

Visits / Out And About

Visit the local library, become a member and borrow a book. Talk to your teacher about which book you have borrowed.

Tell your teacher all about this book when you have finished reading it.

MATHEMATICS

Academic

Look for items around your house that are the following shapes:

Circle
Sphere
Square
Cube
Triangle
Pyramid
Rectangle
Cuboid

Tell your teacher about the shapes that you found.

Visits / Out And About

Visit a shop with an adult and count out coins to pay for an item with exact change.

Tell your teacher all about it.

Family

Ask someone at home to time you doing the following activities:

Star jumps
Knee bends
Hops

How many can you do in one minute?

Ask the person who timed you to jot down your results to show your teacher.

Watching / Listening

Watch and sing along with this video, which will help you to count in 2s.

 <https://is.gd/xFTOpe>

Try to sing the chorus to your teacher.

PSHE

Academic

Find out who is next in line to the throne and tell your teacher.

Visits / Out And About

Pay a visit to someone who is special to you eg. a grandparent, neighbour or good friend, and tell them all about your day.

Talk to your teacher about your visit.

Family

Talk to your family about special family events that have happened recently, or that are about to happen. Examples could include a family party, wedding, birth or baptism.

Tell your teacher all about it.

Watching / Listening

Watch and listen carefully to this video about how to keep healthy:

 <https://is.gd/zX5bvm>

Tell your teacher what you have learned.

SCIENCE

Academic

Think about the different seasons.
Draw lines across a piece of paper
so that it is divided into quarters.

Label each one:

Autumn
Spring
Summer
Winter

For each season, either make a list
or draw pictures of things that you
associate with each season, eg.
Autumn: falling leaves.

Show your work to your teacher.

Visits / Out And About

Take a walk to the local park.
What animals can you see?

Tell your teacher
all about your visit.

Family

With your family, blow bubbles
using shampoo, bubble bath,
shower gel and washing up
liquid.

Which is the best
for bubble blowing?

Can you think of why this might
be and tell your teacher?

Watching / Listening

Watch this video for an extra
science lesson at home:
Year 1 Science Classroom
Observation: Topic - Materials

<https://is.gd/yGp0Di>

Talk to your teacher about
what you have learned.

GEOGRAPHY

Academic

Learn the names of the seven continents of the world and practise reciting them so that you can tell them to your teacher.

Visits / Out And About

Take a walk to the local shop. Make a list of interesting things that you see on the way eg telephone box, post box, lamp posts etc.

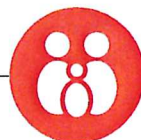

Show your list to your teacher.

Family

With the help of a grown-up from your family, think carefully about how you get to school.

Make a simple map of this route together to show your teacher.

Watching / Listening

Watch and sing along to this song:
The Seven Continents Song

<https://is.gd/TBaMbp>

Tell your teacher the names of the seven continents.

HISTORY

Academic

Share some photographs or memories of a past holiday/ birthday/party/something special with people at home.

Can you explain what **'the past'** means?

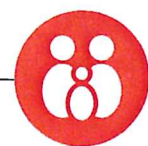

Tell your teacher.

Family

Talk to your parents about toys that they used to play with. Do they still have any of these?

Tell your teacher.

Watching / Listening

Watch and play 'The Great Fire of London' online www.fireoflondon.org.uk/game OR watch a Horrible Histories clip on YouTube about The Great Fire of London/The Gunpowder Plot.

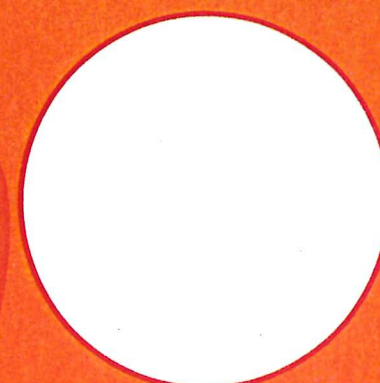

Tell your teacher what you have found out.

Visits / Out And About

Visit a local art gallery and find a painting that was painted a long time ago. How can you tell?

Tell your teacher.

ART

Academic

Andy Warhol was a very famous American painter, known for his pop art style. Ask an adult to help you to find a painting by Andy Warhol. This is a useful website to use:

<https://is.gd/FBVDjF>

Can you think of some words to describe Warhol's style?

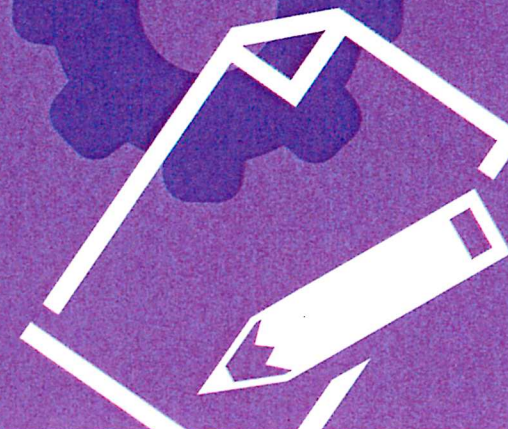

Tell them to your teacher.

Family

Paint a picture of a family member. Try to apply your paint evenly, accurately and consistently.

Take your painting into school to show your teacher.

Visits / Out And About

Draw something that you can see in your garden, back yard or local area. It could be a tree, flower, a building or something else.

Make sure that you look at your chosen subject really carefully.

Take your drawing into school to show your teacher.

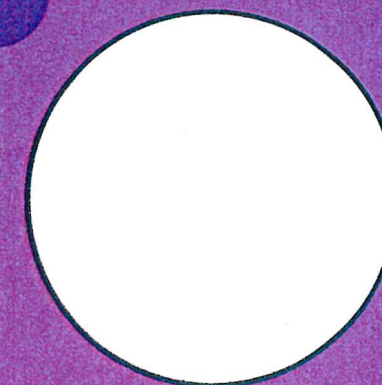

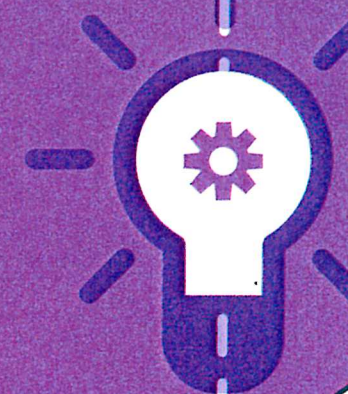

Watching / Listening

Have a look at this website with an adult:

<https://is.gd/1L316o>

Listen to the account of the children's trip to an art gallery and tell your teacher all about it.

DESIGN AND TECHNOLOGY

Academic

Try to find an old **pop-up** book, or ask your teacher if you can take an old one home from school. Take one page apart to find out how it works.

Be prepared to explain this to your teacher.

Visits / Out And About

Visit a local bridge. Where is it and what is it used for? Perhaps you could take a photograph or make a quick sketch.

Show your picture to your teacher.

Family

With an adult, make some fairy buns as a treat for the family. Can you find out where the flour comes from?

Be prepared to tell your teacher.

Watching / Listening

Watch CBeebies and learn more about 'Catie's Lifting Machines'.

Talk to your teacher about what you have learned.

MUSIC

Academic

One of the world's most famous composers was **Mozart**.
Look at the following website:

 <https://is.gd/QfRm6Z>

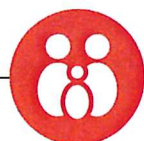

Can you find out Mozart's full name and tell your teacher? Perhaps you could find out a little more about him too.

Family

Ask a member of your family to teach you a song or to play you a song that they enjoy.

Tell your teacher all about it.

Watching / Listening

Listen to 'Livin' La Vida Loca' by Ricky Martin. Move your body to the music.

Talk to your teacher about whether or not you enjoyed the song.

Visits / Out And About

Take a walk to the local cinema.
What films are currently playing?

When you get home, use the Internet to help you to listen to the sound tracks of these films.
Did you enjoy the music?

Tell your teacher all about it.

Academic

Ask family members to help you to think of some religious festivals and celebrations that we take part in.

You could also use the Internet to help you name other festivals and celebrations enjoyed by people from different religions.

Tell your teacher what you have found out.

Visits / Out And About

Visit somewhere that is special to someone in your family. It could be where they went to school, a house that they used to live in, a tourist attraction that they enjoy visiting, or anywhere else that is special to them.

Tell your teacher all about it.

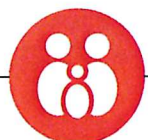

Family

Talk to your parents and family members about any naming ceremonies they may have enjoyed.

Talk about the meanings of names. Why were you given your name?

Tell your teacher what you have found out.

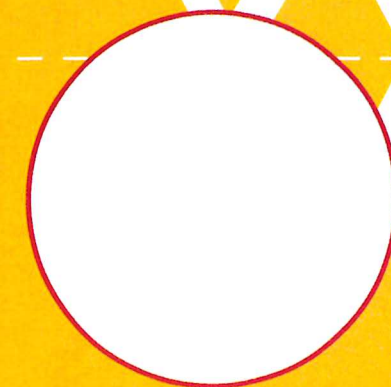

Watching / Listening

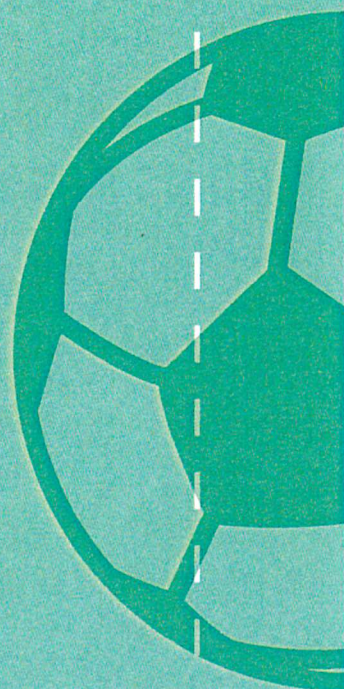

Watch this clip about Christian worship:

<https://is.gd/VjxefW>

Tell your teacher all about it.

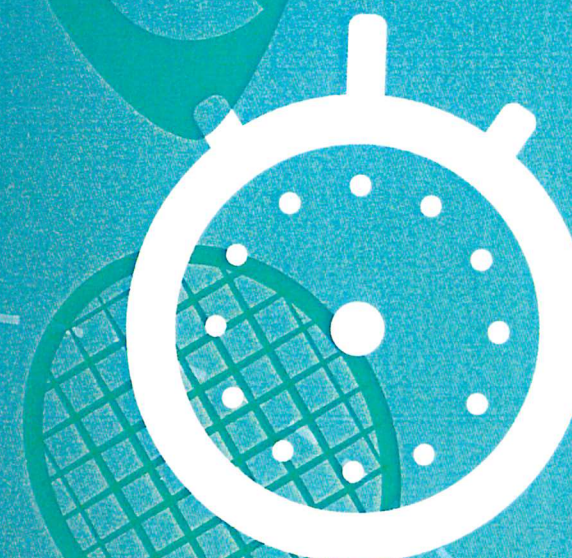

Academic

Can you find out five different sports that are part of the Olympics?

Talk to your teacher about what you have found out.

Visits / Out And About

Go to the park or for a walk outdoors.

What did you enjoy?
How do you feel afterwards?

Tell your teacher all about it.

Family

Throw and catch a ball with a member of your family.

How many can you do without dropping?

If this is too tricky at first, you could try rolling the ball.

If you want to make it harder, you could try using one hand.

Let your teacher know how you've got on.

Watching / Listening

Watch a clip of a sporting event from a recent summer Olympics (eg. Rio 2016, London 2012) – these can be found online.

Talk about the event with a member of your family.

Tell your teacher all about what you have watched.
