

THE CONSORTIUM
ACADEMY TRUST

LEARNING BEYOND THE CLASSROOM
IS FOR YOU TO DO WITH YOUR
FAMILY, FRIENDS OR ON YOUR OWN.
WORK YOUR WAY THROUGH IT OVER
THE YEAR TO ENJOY LEARNING AND
NEW EXPERIENCES. WE LOOK
FORWARD TO HEARING ABOUT YOUR
LEARNING AND SEEING YOUR WORK.

YEAR
6

NAME: _____

DIGITALCURRICULA

www.digitalcurricula.co.uk

ENGLISH

Academic

Either:

Read the original version of a novel written by one of the classic authors such as Charles Dickens, William Shakespeare, Jane Austen or Charlotte Bronte.

Or:

Watch a film version of a classic story. Prepare a Book/Film Review for the class based on this story.

Family

Choose a character from a book that you know well. Imagine that you have become that character. Ask your family to interview you to guess who you are.

Write a short paragraph about your character to show to your teacher.

Watching / Listening

Look for children's versions of Shakespeare plays online. There are lots to choose from. Write a short review of this play to share with your teacher.

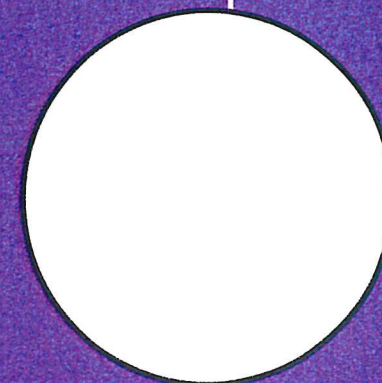

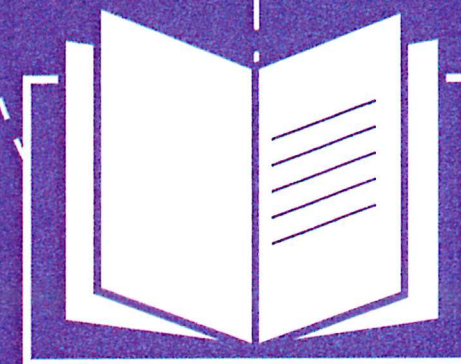

If your local theatre is putting on something similar, perhaps you could persuade your parents to take you.

Visits / Out And About

Take a walk around your local area and photograph any examples of misused apostrophes. Can you explain why they have been misused? Can you spot any other mistakes that have been made eg. spelling, grammar and punctuation?

Show your photographs and written work to your teacher.

MATHEMATICS

Academic

Find the radius and diameter of three different circles in your home environment.

Jot down your findings to show your teacher.

Visits / Out And About

Have a look in the windows of estate agencies. What is the average price of different house types? eg. bungalows, semi-detached houses, terraced houses and detached houses.

Jot down your findings to show your teacher.

Family

Using a TV Guide, make up a quiz for a member of your family to try. Example questions might include:

What time does Bargain Hunt start and finish?

How long does University Challenge last?

If Mastermind were on an hour later, at what time would it finish?

Bring in your quiz to show your teacher.

Watching / Listening

Watch this video about a 'Mathemagician' who is faster than a calculator.

 <https://is.gd/QRUnVe>

Write a short report about the show, explaining which mathematical tricks you found the most impressive.

Share your report with your teacher.

PSHE

Academic

Write a letter to your MP about a local issue. Perhaps you might consider the following:

- Environmental issues.
- Building work that is taking place near you.
- Education funding cuts.
- Vandalism in the local area.

Show your teacher a copy of the letter.

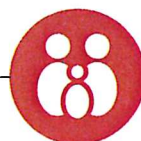

Family

Talk to your family about your aspirations for the future. You could consider what job you might enjoy in the future, for example.

Write a paragraph or two about your plans and how you hope to achieve them.

Show your work to your teacher.

Watching / Listening

Watch an episode of BBC Question Time to learn more about current affairs and politics:

 <https://is.gd/ALHN34>

Write a paragraph about what you have learned to show to your teacher.

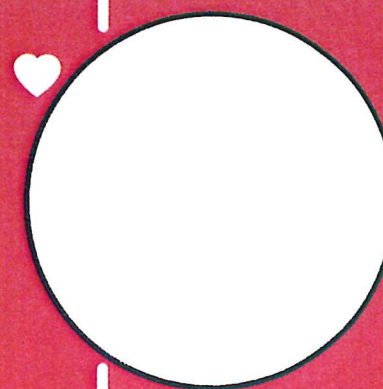

Visits / Out And About

Take a look at the local Magistrates Court. If possible, ask people who work there to talk to you about what kinds of cases are dealt with within the building.

Alternatively, you could use the Internet to answer this question. Write a paragraph or two to explain what you have learned.

Show it to your teacher.

SCIENCE

Academic

Draw a diagram of a plant and label it with the words pistil, anther and sepal. Remember to use a sharp pencil.

Also, remember to use a ruler when you are creating your labels.

Show your diagram to your teacher.

Visits / Out And About

Take a trip to the beach. Make a list of all the animals that you see.

When you return, use the Internet to help you to create a fact file for each one and illustrate your work with photographs or sketches of the animals.

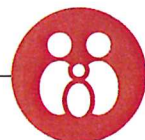

Family

With your family's help, keep a food diary for a week. Note down what you eat for every meal, and any snacks that you may enjoy during the week.

At the end of the week, write a couple of paragraphs to explain whether or not you believe your week to have been healthy and why/why not.

Show your work to your teacher.

Watching / Listening

Watch some of David Attenborough's Blue Planet series. Write a couple of paragraphs about what you have learned from this and show your work to your teacher.

GEOGRAPHY

Academic

Learn the names of as many countries and oceans as you can on the equator, Tropic of Cancer and Tropic of Capricorn.

Practise reciting them so that you can tell them to your teacher.

Visits / Out And About

Pop in to a travel agent's shop and select a couple of brochures. Take them home and choose two different holiday destinations to compare and contrast.

Write a paragraph about each place or cut and stick pictures from the brochure to make an informative poster about both destinations.

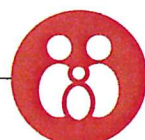

Show your work to your teacher.

Family

Talk to a relative about where they have been on holiday. Find it on a world map or by using Google Earth.

Capture your conversation with your relative in the form of an interview and show it to your teacher.

Watching / Listening

Watch this video and read the information carefully:
Trade Links With Other Countries

<https://is.gd/jXq3ST>

Write a paragraph for your teacher about the UK's trade.

LANGUAGES

Academic

Use the Internet to find out about the life of an historical figure associated with the country whose language you are studying.

Draw a comic strip to explain his or her life in pictures, using captions to help you explain the main events.

Show your work to your teacher.

Visits / Out And About

Visit a local art gallery and find a painting that you admire that is by an artist from the country whose language you are studying.

Write a fact file about the artist and the painting.

Show your work to your teacher.

Family

Make a sweet dish that is typical of the country whose language you are studying. You may have to use the Internet to help you to research this.

Enjoy your dish and write a few sentences about it this tasting experience to show to your teacher.

Watching / Listening

Use the Internet to find a pop song that is sung in the language that you are studying.

Did you recognise any words?

Could you work out what the song was about?

Did you like it?

Write a couple of sentences to explain your opinions and share these with your teacher.

HISTORY

Academic

Historians often use the following words:

- Interpretation
- Significance
- Primary Evidence
- Secondary Evidence

Can you find out what they mean? Write down their definitions and show your teacher.

Visits / Out And About

Visit a local museum and choose an object/painting that interests you.

Take photographs or sketches and create a fact file about its history after having read the information about it at the museum or gallery. You may want to supplement this information with extra research from books/the Internet.

Show your fact file to your teacher.

Family

Talk to your family about how money has changed over time. Can they give you some ideas of purchases made in the past and their prices? eg. the cost of a stamp/the cost of buying a house.

Make a poster presenting some of your findings and show it to your teacher.

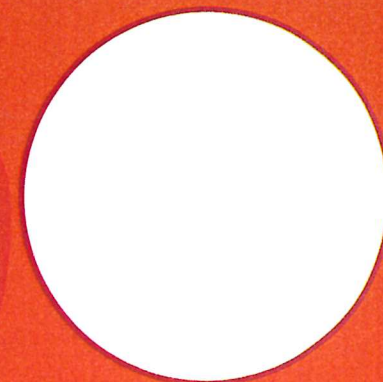

Watching / Listening

Watch two films that give two different perspectives of a period of time eg. WWII: The Book Thief (life in Germany during WWII) and Goodnight Mr Tom (life in England during WWII).

Write a review, explaining the differences presented by each film.

Share your work with your teacher.

ART

Academic

Banksy is a very famous British street artist. What can you find out about him and his style of painting?

Complete some research and write a short fact file to show your teacher.

This is a useful website to use:

<https://kids.kiddle.co/Banksy>

Show your research to your teacher.

Family

Paint a picture of a family member. Try to make sure that your painting shows scale, depth, texture and tone.

Visits / Out And About

Draw something that you can see in your garden, back yard or local area. It could be a tree, flower, a building or something else.

Try to make sure that your drawing has convincing scale, depth, texture and tone.

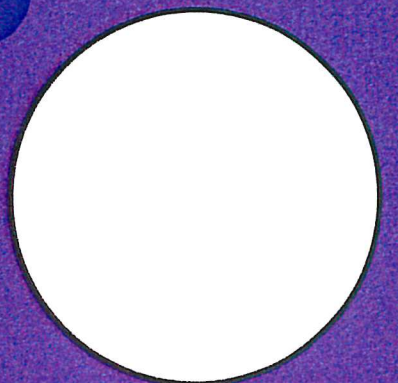

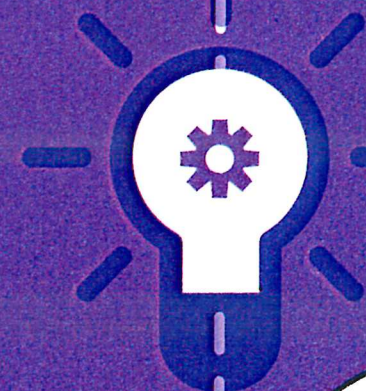

Watching / Listening

Enjoy an episode of The Big Painting Challenge (BBC iPlayer).

Write a short commentary on the programme, explaining which techniques were explored and what you have learned from the episode.

Show your work to your teacher.

DESIGN AND TECHNOLOGY

Academic

Have a look at the **gears** on a bike. Can you explain how they work?

You may have to look on the Internet to help you to understand this. Write a paragraph to explain your understanding. It may be useful to include a diagram to make your explanation even clearer.

Show your work to your teacher.

Visits / Out And About

Take a walk through your village, town or city and look out for some buildings with columns.

What can you find out about this type of architecture? You may need to use the Internet to help you in your research.

Write a paragraph to explain what you have found out and show it to your teacher.

Family

With help from an adult, prepare a main meal at home, using all of your food preparation skills. When you have finished, either take a photograph of your meal, make some sketches, or design a menu card describing your delicious creations.

Share your work with your teacher.

Watching / Listening

Use the Internet to watch a short film about Thomas Edison. What were his most famous inventions?

Design a poster to show these and show it to your teacher.

MUSIC

Academic

Can you find out what rap music is?
How does it use sampling or
other types of music technology?

Jot down your answers
to show your teacher.

Visits / Out And About

Enjoy a visit to a local art gallery
or museum. There are bound to be
paintings and artefacts on display
that were created in different time
periods.

Use the Internet to help you to
research different musical time
periods. Make a list of these
and note down the composers
associated with each different
period.

Show your work to your teacher.

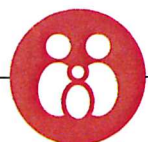

Family

Select a few different pieces
of music to play to your family.
YouTube is a good place to look for
music. Make sure that you choose
a modern piece, an older piece of
music and a piece of music that
somebody in your family selects.

Write a short paragraph about
each piece of music after you
have shared your choices with
your family.

Share your work with your teacher.

Watching / Listening

Watch Torvill and Dean skating to
'Bolero' by Maurice Ravel. They
won a gold medal at the Winter
Olympics in 1984 – enjoy their
performance on YouTube.

The music is built over an
ostinato rhythm played on one or
more snare drums throughout the
piece. Listen out for this.

Try to work out the story being told
in the ice dance, and present it in a
short paragraph for your teacher.

RE

Academic

Do you understand the word 'justice'? Make sure that you have an accurate definition (a dictionary would be helpful) and then write a paragraph describing your hopes and dreams for justice in the world.

Share your work with your teacher.

Visits / Out And About

Plan a trail around your local village, town or city that includes as many religious places as possible.

You could illustrate your trail with drawings, photographs, pictures cut from brochures or prints from the Internet.

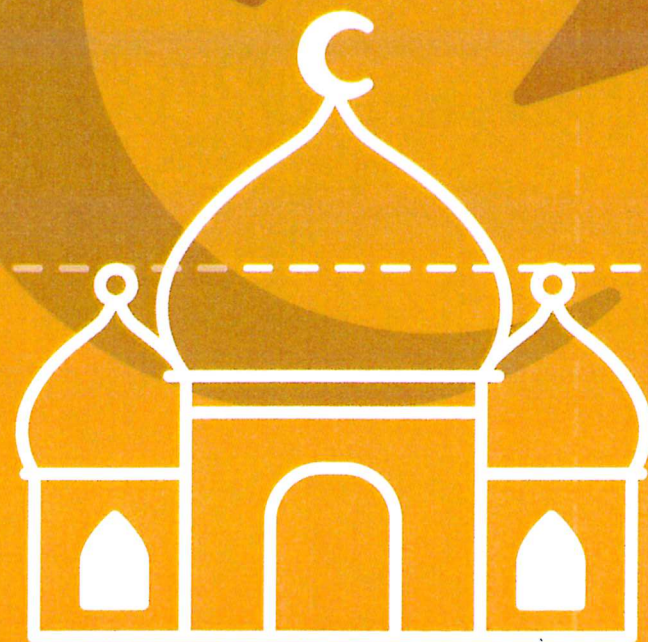

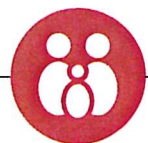

Bring your trail to school to show your teacher.

Family

Investigate the 'Golden Rule(s)' of different religions. Write a short paragraph about each of these and then make up a family 'Golden Rule' together and write a short paragraph to explain it.

Share your work with your teacher.

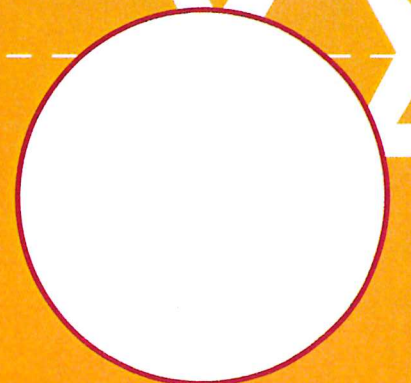

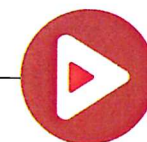

Watching / Listening

Watch a short film about God and The Big Bang:

<https://is.gd/r1afH6>

Write a short paragraph describing your own beliefs about religion and science and share it with your teacher.

PE

Academic

Research examples of Olympic oaths using the Internet or books. Can you write an oath that could be read at the beginning of our school Sports Day or other sporting event using no more than one hundred words?

Show your work to your teacher.

Visits / Out And About

Watch a live local sports event eg local football, cricket, rugby, horseracing, cycling race.

Write a short report of what you saw and show this to your teacher.

Family

Keep a record of any physical activity that you and your family take part in over a week.

You could put the information into a graph.

Can you draw conclusions? (eg. How many minutes or hours have you completed overall? Which days are your most/least active? How many different types of exercise have you completed? Who is the most active?)

Show your work to your teacher.

Watching / Listening

Watch an online clip of England winning the football World Cup in 1966 OR England women's netball team winning the Commonwealth gold medal in 2018.

Write a short match report of the game to share with your teacher.
