Curriculum Learners

- ❖ **As geographers**, we will name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and surrounding seas using maps and atlases to help us. We will use geographical vocabulary to describe their human and physical features and look at land use patterns, thinking about how these may have changed over time. Using simple fieldwork and observational skills, we will study the geography of our school and its grounds (creating a simple map) and the key human and physical features of its surrounding environment.
- ❖ **As historians**, we will look at the changes to the monarchy, which has happened within living memory.
- ❖ **As artists**, we will learn about the work of an artist studying the linked art and develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.
- ❖ **In DT as chefs**, we will use the basic principles of a healthy and varied diet to prepare dishes.
