

# YEAR 1 DAVID ATTENBOROUGH

## WHO IS DAVID ATTENBOROUGH?

David Attenborough is a man who loves animals and nature. He is from the United Kingdom and has spent many years teaching people about the world around us.

## WHAT DOES HE DO?

David Attenborough makes films and television shows about animals, plants, and the Earth. He travels to forests, oceans, and deserts to show us amazing creatures.

## WHY IS HE IMPORTANT?

David Attenborough helps people understand why nature is special. He tells us why we should look after animals and take care of our planet.

## WHAT CAN WE LEARN FROM HIM?

He teaches us that every animal is important, from tiny ants to big whales. He shows us how animals live and how we can help protect them.

## A KIND AND WISE MAN

David Attenborough is very kind to animals and wants to save nature. Many people listen to him because he is wise and has spent a long time studying the Earth.

## HOW CAN WE HELP?

We can help by not dropping litter, planting trees, and being kind to animals. David Attenborough wants everyone to care for nature so that animals can be safe and happy.
