

# YEAR 1 THE SEASONS AND WEATHER IN THE UK

## WHAT ARE SEASONS

In the UK, there are four seasons: Spring, Summer, Autumn, and Winter. Each season is different, and the weather changes a lot throughout the year. Let us learn about each season and what the weather is like!

## SPRING

Spring comes after Winter. The weather is still cool, but the sun starts to shine more. Flowers begin to bloom, and trees grow new leaves. Sometimes it rains in Spring, but it helps the flowers and plants grow. People wear jackets because it can be chilly, but not too cold.

## SUMMER

Summer is the warmest season in the UK. The days are longer, and the sun shines for many hours. People like to go outside and play, have picnics, and visit the beach. It can get very warm, but it does not usually get too hot. Sometimes, there are a few rainy days, but the weather is mostly nice.

## AUTUMN

Autumn is when the weather starts to cool down again. The leaves on the trees turn yellow, orange, and red before falling to the ground. It can be windy and rainy, and people start to wear warmer clothes like jumpers and coats. Sometimes, it is sunny, but it is usually cooler than in Summer.

## WINTER

Winter is the coldest season in the UK. The days are very short, and the nights are long. The weather can be very cold, and sometimes there is snow. People wear warm clothes like hats, scarves, and gloves to stay warm. It can also be rainy and windy in Winter, and the sky is often grey.

## THE WEATHER

The weather in the UK can be very changeable. Some days are sunny and warm, while other days are cold and rainy. It is a good idea to carry an umbrella because it often rains. The weather can be different in each part of the UK, with some areas being wetter or colder than others.

## FUN FACT

Did you know that the UK has some of the most unpredictable weather in the world? You might wake up to sunshine and then find that it is raining later in the day. This is why people always check the weather forecast!

Now you know a little bit about the seasons and weather in the UK. Remember to dress for the weather so you can have fun in every season!
